Something for Mothers to Think About

EVERY CHILD born into the world with an inherited or early developed tendency to distressing, disliguring humours of the skin, scalp, and blood, becomes an object of the most tender solicitude, not only because of its suffering but because of the dreadful fear that the disfiguration is to be lifelong and mar its future happiness and prosperity. Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the best, the purest, and most effective treatment available, viz., THE CUTICURA TREATMENT.

Warm baths with Cuticura Soap, to cleanse the skin of crusts and scales and soften the thickened cuticle, gentle anointings with Cuticura Ointment, to instantly aliay itching, irritation, and inflammation, and soothe and heal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal, to be followed in the severer cases by mild doses of Cuticura Resolbeal Resolb VENT PILLS (see below), to cool and cleanso the blood, are all that can be desired for the alleviation of the suffering of skin-tertured infants and children and the comfort of worn-out, worried mothers. A single set is often sufficient to cure when the best physicians fail.

Millions of Women Use Cuticura Soap Assisted by Curicuma Oiktment, for preserving, purifying, and beautifying the skin, for eigeneing the scale of crists, scales, and dandruit, and the stopping of falling bair, for softening, whitening, and soothing red, rough, and sore hands, to be only usines, itchings, and challes, in the form of baths for annoying tritations and inflammations, or too free and challes, in the form of baths for annoying tritations and inflammations, or too free or offensive perspiration, in the form of washen for ulcerative weaknesses, and for many sheative, antiseptic nurposes which readily suggest themselves to women, especially mothers, and for all the purposes of the toilet, bath, and nursery.

CETICETA RESOLVENT PILLS (Chocolate Coafed) are prepared to meet the wants of delicate women, and sensitive-children, and are pure, sweet, and tasteless. They are beyond question the most successful blood purifiers and humour cures yet compounded. Currents Benedies are sold throughout the world. Australian Theorie R. Towns & Co. Sydney. COLLIS BROWNE'S CHLORO. DYNE. -- Dr. J. COLLIS BROWNE (late Army Medical Staff) DISCO-VERED a REMEDY, to denote which he coined the word CHLORODYNE. Dr. Browne is the SOLE INVENTOR, and as the composition of Chlorodyni cannot possibly be discovered by Analysis (organic substances defying climination), and since the formula has never been published, it is evident that

any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false. This caution is necessary, as many persons deseive purchasers by false representa-

## AS OTHERS SET US.

Hongkeng Life Described.

Hongkong, small as it is, is the most Indertal of sinner, as Great Bruain is most pescalial group of ideals in the brid. It can into being just eixty years io. Some offier Maje dy atraders, with Superintegrant named Line at their ad, were backed out of Canton by an inplent Viceroy Ninety miles away, a lofty land, named Iragrant Streams held withas igh a mainlant a mile across, a deep harbur, which fee typhoons could ep. The countains of the mainland and f the iswere no receiptioner fine deal or aron ha the gray peks of Utah. Here Britain inded and lare she gathered her navy. he called by port free, and asked the tions to tride. With fanfare and deunstration treaty like the one of the ceent year with Japan is announced, but hat it means is that China shall keep her tegrity and tade with the world over Brilin's shopecolater, antablished uniter the eaks of Hungong. Here 3,500 Britishers bepshop, and 3,0,000 Chinese help them, d 8,000 troos and 6,000 of the navy do trol. But bese shopkeopers trade with vengeance, ad run an account which is b third in he world, for Hongkong in 100 entered and cleared 35,000 vessels, th a tonnag of 18,100,000, aid a value 350,000 00! #### HONGKONG CHURCH MISSION- PRESENTATION TO EX-ARY ASSOCIATION.

His Honour Sir William Goodman pre sided at the annual meeting of the Church Missionary Association, which was held yesterday afternoon in St. Paul's College. There was a large attendance.

The Societary (Rev. F. T. Johnson) stated that the Association during the past year had had a peaceable time. There had been no Committee meetings and no grant had been made. All the same he wished to strongly emphasise the fact that very good work had been going on all the time in the different departments. To Lady Goodman, Miss Goodman and Miss Anderson for their work in connection with their respective departments, and to Major Benson for his services as treasurer they owed most hearty thanks. The brunt of the work, however, had fallen upon the editorial department, and they had to thank Rev.
